

## Introduction

This document contains the corrections for the book which was published in July 2008.

## Corrections

Page 146: formula (15.3) should be

---

$$R_{\max_{\text{analyte}}} = \frac{M_{\text{analyte}} \cdot R_{\text{ligand}} \cdot \text{Valency}_{\text{ligand}}}{M_{\text{ligand}}} \quad (\text{RU}) \quad (0.1)$$

---
